### Chapter 1 by Dominique Alexander

Today wasn't just a good day it was a fantastic day! Today was the day that my dad was going to bring the brand new mudding truck home. I was so happy I had chills rushing down my body. I had no idea how it looked. I walked out side and there my dad was in the new truck it was jacked up I mean the lift kit was flawless the truck was a dark coal black that was sparkling and high above the ground. It was probably the best truck ever well that was my opinion. So as you can see this is something that's going to have me bragging for days, well how could I not like its going to have great memories.

I just talked to my dad and told him how much I loved it, my dad is the best he told me that the truck is going to be mine when I turn 16. I cant believe how today is going right now I'm in shock! Tomorrow is going to be the first day we take it to the mud pit. Ready Set Go (Red) (Yellow) (Green!)
